

This topographic map illustrates the Kittitas-Yakima region, characterized by its rugged mountainous terrain. The Yakima River is the central waterway, flowing from the north towards the south. Major tributaries include the Cle Elum River, the Trenchard River, and the Naches River. Several lakes are marked, including Lake Umbagog, Lake Umbagog, Lake Umbagog, and Lake Umbagog. The map also shows the Kittitas-Yakima area, which is a large, relatively flat region. A scale bar at the bottom indicates distances in miles, and a north arrow is located in the bottom right corner.
